

## IT ContractorCare

### Comprehensive insurance for IT Contractors

As a contractor your lifestyle is dependent on your income and your income is dependent on your ability to work. That's why it's important to have the right cover in place, at the right time.

IT ContractorCare provides cover for the unique exposures facing contractors including professional indemnity, public liability and statutory liability covers.

Through our partnership with financial advice provider AdviceFirst, Helium is pleased to be able to offer this service to contractors at a very competitive annual rate.
